Failed To Load DelZip179.dll Upon Restoring Database Backup

Problem Scenario:

Upon restoring Database Backup, 'Failed to load DelZip179.dll' and upon clicking OK 'Error Code: 10650; Message: Failed to load DelZip179.dll' error prompts:

Resolution(s):

From the other Clients computer or Server, go to C:\QNE Folder and copy the file named 'DelZip179.dll'.

After copying the file, go to Users workstation where the problem was encountered and paste it to C:/QNE folder or where the QNE Accounting was installed.

After doing this, re try now to restore it the Database Backup.
