

QNE Payroll System Registration

QSS or **QNE System Service** is used for activating your license or product key on one machine, your Server Computer.

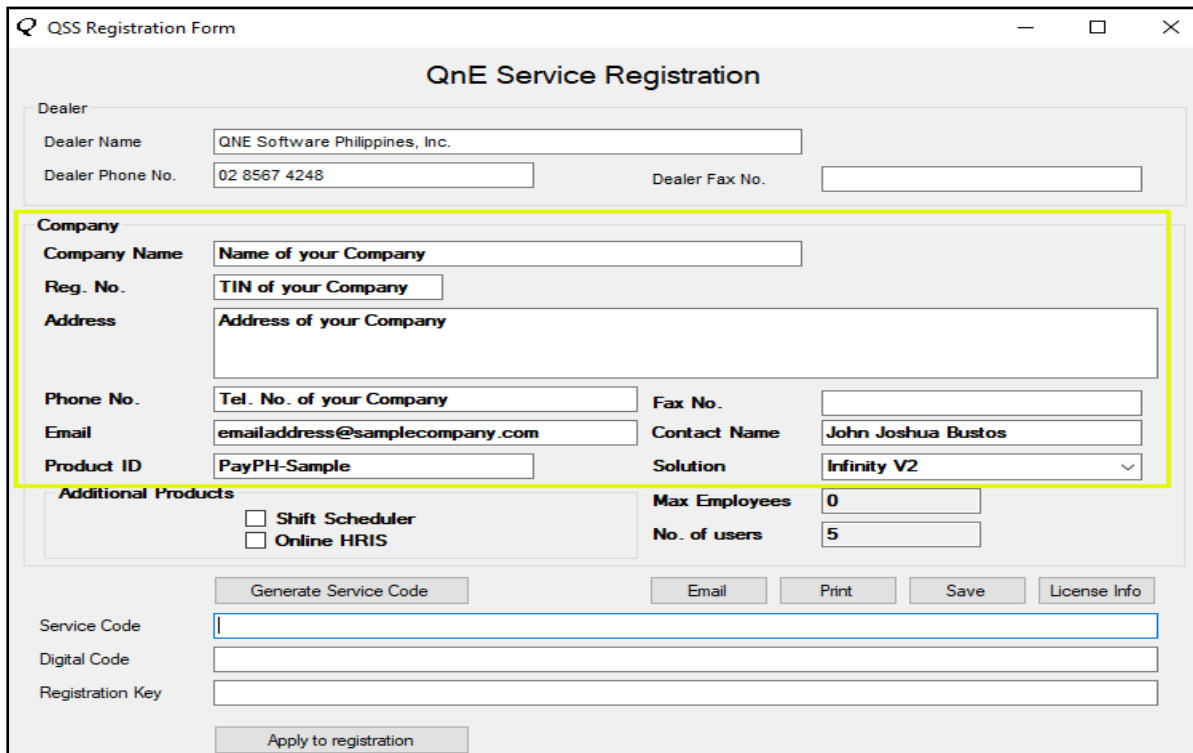

To generate the QSS form, search for 'QSS' in your server computer and click the QSS App from the search results to run the QSS.

In the Taskbar > Notifications Area, click on the 'Show Hidden Icons'  button and right click on the  icon and click on 'Register QSS.'

Fill in the necessary details on the QSS Registration Form. Please refer to Delivery Receipt provided by the QNE consultant during the training period for your 'Product ID' and 'Solution.'
