

How to Restrict Users from Viewing Unit Cost

Overview:

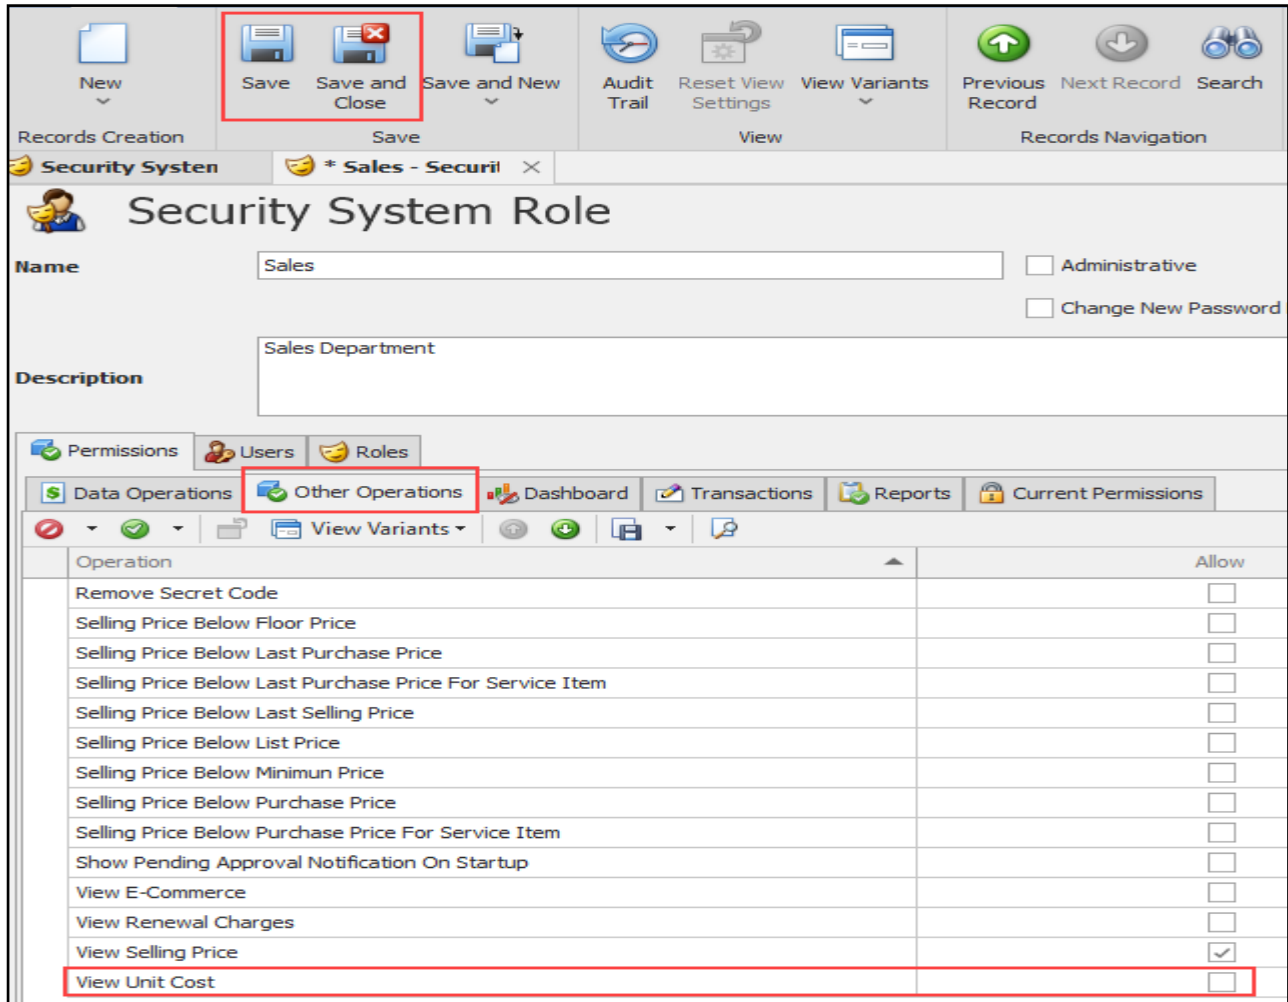

QNE Optimum allows restriction in terms of viewing unit cost. This is common, especially for users in the warehouse that are allowed only to receive and record items.

Procedure:

1. Go to *Maintenance > User Roles*. Double-click the System Role that the users belong to or are assigned to.

2. Under the 'Other Operations' tab, untick the checkbox for *View Unit Cost* and click Save.
